

“Dive into Process Efficiency”

Tuesday, November 14, 2017
8:30 a.m. to 3:30 p.m.

You’re invited to join us for the AEP Ohio Fall 2017 Customer Education Seminar.

Topics will include: Process efficiency – looking at Energy Efficiency in a new “light”.
 Combined Heat and Power (CHP)
 Automated Benchmarking Pilot – Energy Star Portfolio Manager

Bring your energy efficiency projects/questions, staff will be present to help you fill out the applications. There will be **no charge** to AEP Ohio customers for attending this seminar.

Following workshop, a gift certificate will be raffled to one customer. Winner must be present.
